Subject: Request to Address Conflict of Interest Involving Director Shariff

Dear Directors,

At the advice of legal counsel, on 20 August 2022, Foothill Sport Aviation LLC d.b.a. Foothill Flight Center formally served a cease-and-desist letter to an individual who has developed a hostile disposition towards our business and has been spreading misinformation (slander) about us, our operating practices, and our role as a member of the Cameron Park Airport community. The decision to take legal action is not an easy one, nor is it ever our first choice; however, we can no longer sit idly by as our reputation is disparaged. Going forward, we will vigorously defend our good name and business interests.

We believe, Director Diane Shariff has a personal relationship with this individual. Given this relationship we believe it is impossible for Ms. Shariff to remain impartial in any matters related to our flight school.

To that end, we request that from this date forward Director Shariff be recused from any negotiations with- and from voting on all motions related to- Foothill Flight Center.

Please let us know if you have any questions.

Thanks for your prompt attention in this matter.

Regards,
