TERMS AND CONDITIONS

THIS AGREEMENT. Entered into by and between Cameron Park Airport District, an "Airport District" of the State of California. Hereinafter referred to as "District", and _____ hereinafter referred to as "Lessee".

1. DESCRIPTION OF RENTAL. District hereby rents to Lessee the above designated aircraft rented premises for the purpose of storing therein, the above-designated aircraft and no other aircraft.
2. RULES AND REGULATIONS: Lessee, and those legally acting on behalf of Lessee, agree to abide by all rules and regulations governing the operation and use of the Airport as set forth in the Cameron Park Airport Rules and Regulations, and all future ordinances, resolutions and regulations of the District regarding the airport. The tenant acknowledges receipt of a copy of those rules and regulations.
3. EXCLUSIVE SPACE: This permit is not transferable or assignable. Lessee shall not assign any interest of the tenancy hereunder or sublet, license or permit any other party or parties to occupy any portion of the assigned rented space. Lessee's aircraft must be registered or leased in Lessee's name. In the event there is any change in the ownership of the listed aircraft, ownership of the entity that owns the listed aircraft, sale, assignment, or other modification to the aircraft ownership, then this rental agreement will not be renewed at the anniversary date, subject to the following exception:
 - a. If the listed aircraft is replaced with a different aircraft, and no other changes occur in the aircraft ownership composition, then such a change will not be considered to have violated this term. The purpose of this term is to preclude the use and occupancy of the aircraft hangar by someone who has not waited for his/her turn on the hangar or tie-down waiting list to the detriment of those who have waited.
 - b. If the listed aircraft ownership change is the direct result of the death or disability of the individual owner, the rental agreement may be renewed for up to one additional year to allow for the orderly disposition of the aircraft by the owner's successors in interest.
 - c. In the event an aircraft is co-owned by more than one person, or the entity owner is comprised of more than one member, partner or shareholder, then any transfer of more than one-third of the respective ownership interest shall be considered to be a transfer of the whole and the rental agreement will not be renewed. Transfers of one-third or less of the respective ownership interest in the aircraft shall not be considered to be a transfer of the whole aircraft. At least two-thirds of the owners on the lease at the beginning of the lease term must be owners at the end of the lease term in order to be eligible to renew the lease.
4. STATUS OF RENTED PREMISES UPON SALE OR LEASE OF AIRCRAFT: If a tenant intends to replace an airplane which is listed in this agreement, the tenant will have up to six months to acquire the replacement aircraft after the sale of the listed aircraft. The tenant must request in writing permission of the Airport Management to retain the rented premises occupancy after the sale of a listed aircraft within 30 days following such a sale. Additional extensions of time can be requested based upon extenuating circumstances and will be considered on a case-by-case basis.
5. APPLICATION/OWNERSHIP/AIRCRAFT INFORMATION: If any information provided above changes, Lessee shall notify the Airport Manager in writing within thirty (30) days. Notification must be by United States mail or by Lessee personally submitting said written notice to the Airport Office (3374 Mira Loma Drive, Cameron Park, CA 95682).
6. PAYMENT: Occupancy of the assigned rented space and payment of the monthly rate are on a calendar month basis. At least one month advance rental will be paid upon initiation of this agreement. Should this agreement commence during a calendar month, charges will be prorated at one-thirtieth (1/30) of the monthly rate for each applicable day. No Refunds shall be credited for termination during the calendar month. Payments will be due on the first day of the month and will be delinquent Ten (10) days thereafter. A late charge of 1 1/2%, (18% per annum) will be assessed per month on any delinquent amounts. Accounts more than Ten (10) days delinquent will be cause for premises permit termination. Returned checks will be subject to a Twenty-Five Dollar (\$25.00) charge.
7. USE OF SPACE: The assigned rented space will be used for aircraft storage only. Any storage of recreational vehicles or business and/or personal items not related to aviation is prohibited. No commercial activity or refueling will be conducted within the assigned rented space without the written approval of the District. Owner of the aircraft may personally perform any maintenance activity allowed by FARs.. Parking of owner/operator private vehicles within the assigned rented space is permitted only when aircraft is in use. No parking on unimproved surfaces, taxiways or

other parking that jeopardizes airport operational safety is permitted. Lessee shall confine his/her activities to the permitted premises only excepting reasonable ingress and egress.

12. DEFAULTS: Lessee shall be in default of this Agreement if Lessee fails to fulfill any agreement obligation or term by which Lessee is bound. Subject to any governing provision of law to the contrary, if Lessee fails to cure any financial obligation within three (3) days (or any other obligation within fourteen (14) days) after written notice of such default is provided by District to Lessee, District may take possession of the Premises without further notice (to the extent permitted by law), and without prejudicing Landlords rights to damages. In the alternative, District may elect to cure any default and the cost of such action shall be added to Lessee's financial obligations under this agreement. Lessee shall pay all costs, damages, and expenses (including reasonable attorney fees and expenses) suffered by District by reason of Lessee defaults.
