

District Manager's Report

August 2026

Fuel Sales

7/21/25 - 8/21/25

- 222 Transactions, 5531 Gallons, \$29261.40

7/21/26 - 8/21/26

- 199 Transactions, 4531 Gallons, \$28333.04

About 10% fewer transactions and 1k gallons less, but similar gross revenue due to price difference

Vacancy

Currently 2 tie downs available

Hangars are leased

- Waitlist goes back to 2021

Current Project Updates

Fueling System Upgrade

- New regulations require additional environmental safety equipment on our tank system
 - Certified technician did a site visit last week, waiting on complete estimate of options
 - Enhance current system or replace/upgrade

ALP

- Per board direction, multiple engineering/planning contractors have been solicited
 - 3 companies with local offices, one out of AZ
 - One reply so far

Current Project Updates

Residential paving

- VSS reports finishing the requested pavement maintenance plan
 - Coordinating a meeting for them to present their recommendations

Creek cleanout

- Permit & planning is complete and a contractor assigned
 - According to DoT, the contractor is permitted to begin work Sept 8 but will likely start the following week
 - Dennie is coordinating community volunteers for fence removal and replacement
 - Work expected to take approximately 5 days
 - Local law enforcement is requested to do additional patrols while fence is compromised

Current Project Updates

Props, Cops & Rodders

- Joining the planning meeting this week as support
- Registration website is open for cars and aircraft
